Findings

The school is a signatory to the Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021 established under section 534 of the Education and Training Act 2020. The school has attested that it complies with all aspects of the Code and has completed an annual self review of its implementation of the Code.

At the time of this review there are 20 international students attending the school.

Learners are well supported by a designated International Student director and team who monitor and have oversight for wellbeing and pastoral needs, and for supporting successful learning outcomes. Learners are integrated into mainstream classrooms, with additional support for learning English where needed. Strong systems of self review are in place.

The school's website gives thorough information for prospective families, including prospectus information translated into various Asian languages. Cobham Intermediate offers police-vetted homestay accommodation in situations where an international learner is not accompanied by their own family or caregiver in New Zealand. Therapeutic guidance counselling services are also available to international learners at the school.
